Homework

At Tabuk Primary School we set homework for children to fit within the time allocations previously recommended by the government in the UK. We understand that all children are different and they work and learn at a different pace. If your child is unable to complete the task within the desired time frame we fully understand. Please let their class teacher know if your child is having difficulties with a specific activity.

Time Allocation for Homework:

| | |
|-------------|------------------|
| Year 1 & 2 | 1hr per week |
| Years 3 & 4 | 1 ½ hrs per week |
| Years 5 & 6 | 30 mins per day. |
