### **The Tabuk Primary School Facebook Page Guidelines:**

This page has been set up to share details about the happenings at Tabuk Primary School. To ensure this page is a positive reflection of the great things happening at our school we ask you respect our Facebook Page Guidelines.

Facebook users who have 'Liked' our page are able to comment on the school's posts and events and on comments by other users. Users may also post photos and videos to our page, but we ask you to respect the privacy of other families in the school and not share any images or video you take online without gaining explicit permission from each child's parents.

We do not endorse children under the Facebook age threshold of 13 years creating their own Facebook accounts. We encourage parents to share our page with their children through their accounts and to use our Facebook page as a role model for communication through social media.

We encourage you to provide feedback and comments however we ask you be respectful and contribute in a positive and constructive manner. Should you wish to bring a concern to the school's attention this should be done by contacting the school directly to ensure we are able to deal with this matter in a timely and appropriate manner.

If you would like to contact the school, please speak to your child's teacher, call us directly on +966 (0)14 422 0648 Ext 3301 or email [secretary@tabukprimaryschool.com](mailto:secretary@tabukprimaryschool.com)

You may use names in posts when you wish to acknowledge someone's great work or contribution. We wish our Facebook page to be used to build spirit and for 'patting someone on the back' publicly as we believe it goes a long way towards building a positive school and community. Where students are named they should be referred to by their first name only.

As the page administrators, we reserve the right to remove any content which we deem to be in breach of these Facebook Page Guidelines. This includes discriminatory, illegal, obscene or misleading/fraudulent comments, spam or any content which may break intellectual property laws.
